**TIDAL WAVE****AT HOOKENA**

Purser Conkling of the Mauna Loa, which arrived yesterday, makes the following report of the vessel's trip:

"Rain has come to Kau after an exceedingly long drought. On Saturday and Sunday copious showers fell at Naalehu and Pahala. With this rain Pahala expects to turn out 550 more tons of sugar before the end of the month. Up to the day we left neither A. H. nor H. A. Co. had been grinding much sugar cane.

"The weather at Punaluu and Honouliuli, which was very rough while we were at Kona, moderated so that our work at these ports was not hampered. Along the Kona coast fine weather prevailed on our return trip while on Friday and Saturday of last week exceedingly rough weather was reported.

"A small tidal wave at Hookeana did minor damage early Saturday morning. We were delayed at Napoosoo and Kailua longer than usual by the large coffee shipments.

"Coming home fair weather with moderate seas and N. E. trades prevailed. We made a special trip to Mahukona for passengers."

**A TIMELY SUGGESTION.**—This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. Sold by all dealers and druggists. Benson, Smith & Co., Ltd., Agents for Hawaii.

**Convincing Proof**

The Average Honolulu Citizen Must Accept the Following Proof.

The great Sir Isaac Newton, one of the most profound reasoners the world ever produced, once cut a large hole in a board fence to allow a favorite cat access to two gardens, and cut a smaller hole to allow her kitten to follow her. The weakness manifested in Sir Isaac's action was due to want of thought. Any reader who mentally debates the proof offered here about Doan's Backache Kidney Pills and arrives at any other conclusion than that stated in this citizen's statement, is as short of reasoning powers as the philosopher when he turned carpenter.

Mr. H. S. Swinton of this city says: "I was a long sufferer from backache, having been afflicted with it for twelve years. Taking this as a symptom of kidney trouble, and seeing Doan's Backache Kidney Pills advertised as being good for complaints such as mine, I procured some of them at the Hollister Drug Co.'s store. I found upon taking them that they were doing me good, and was thereby encouraged to keep on until now I am cured of the backache. The merits of Doan's Backache Kidney Pills have been strikingly shown in my case, and I recommend them to other sufferers."

Doan's Backache Kidney Pills are sold by all chemists and storekeepers at 50 cents per box, six boxes \$2.50, or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

**SOCIETY IS TO GATHER****Big Reception for Evans and His Officers.**

Christmas in Honolulu will be an occasion which the officers of the visiting fleet will long remember for on Thursday evening they will be entertained by society folk of Honolulu at a reception and dance at the Alexander Young Hotel. From present indications it is known that the function will be one of the largest of the year. The affair will be semi-formal.

Manager Lake put off the big reception and dance until Christmas Eve in order that he might give a function which would be as pleasant an entertainment for the naval men as they would receive at any port in the world on that day.

Rear Admiral Evans was the recipient of an invitation, engraved on a silver plate, from Mr. Lake, for himself, his staff, and all the officers of the fleet. It is a neat Honolulu souvenir and will probably be highly prized by the Admiral. Invitations were also extended to Admiral Terry and staff, Admiral Cooper and staff, these including all of the officers of the fleet, and also to the officers of the army here. There will probably be more officers from the fleet ashore to attend this reception than to any other given during the stay of the ships.

From half-past eight o'clock in the evening until a late hour the scene in the dancing pavilions and on the roof garden of the hotel will be one of great brilliancy. With officers from the fleet in the gay dress uniforms, the local army officers, and the flower of Honolulu's population in evening dress—the affair will be one to be remembered. During the early part of the evening the Territorial Band will give a concert and this will be followed by a concert by the Kentucky's band.

Admiral Evans and staff, and Admirals Cooper and Terry and their staffs will probably arrive about 8:30 o'clock. They are to be received by Mrs. H. Wingate Lake and Mrs. A. A. Young, Mrs. Anderson, and Mrs. C. C. Von Hamm, for the hotel and then the Honolulu ladies will introduce the officers. Dancing will likely follow at once. The two pavilions, one at either end of the roof garden, will accommodate about 200 couples dancing at one time and each pavilion will be provided with a quintette club.

From about half past ten until eleven light refreshments, punch and cakes, will be served.

The great roof garden of the hotel will probably be taxed to its full capacity by the local society folks and the visiting officers. Every arrangement has been made to make the affair a success. The splendid dancing floors of the pavilion have been placed in a state of perfection and the roof garden has been nicely arranged. Continual additions to the plants and small trees on the garden have now made it all its name implies.

**FOUNDED IN HONOUR.**

No doubt you have seen in the papers such announcements as this concerning some medicine or other: "If, on trial, you write that this medicine has done you no good we will refund your money."—Now, we have never had reason to speak in that way concerning the remedy named in this article. In a trade extending throughout the world, nobody has ever complained that our medicine has failed, or asked for the return of his money. The public never grumbles at honestly and skillfully made bread, or at a medicine which really and actually does what it was made to do. The foundations of WAMPOL'S PREPARATION are laid in sincerity and honour, the knowledge of which on the part of the people explains its popularity and success. There is nothing to disguise or conceal. It was not dreamed out, or discovered by accident; it was studied out, on the solid principles of applied medical science. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. This remedy is praised by all who have employed it in any of the diseases it is recommended to relieve and cure, and is effective from the first dose. In Anemia, Scrofula, Nervous and General Debility, Influenza, La Grippe, and Throat and Lung Troubles, it is a specific. Dr. Thos. Hunt Stucky says: "The continued use of it in my practice, convinces me that it is the most palatable, least nauseating, and best preparation now on the market."

You can take it with the assurance of getting well. One bottle proves its intrinsic value. "You cannot be disappointed in it." Sold by all chemists everywhere.
